

## **Lorraine Medcraft**

Lorraine Medcraft is a senior director at Epiq. She has over 15 years' experience in providing solutions to law firms to enable them to maximise efficiencies and respond to client demands, whilst at the same time, staying true to their core values, principles and commitment to their staff. She and her team have worked on a range of projects from information governance and records management, eDiscovery, outsourced staffing solutions to trial technologies and transcription. Medcraft has been an integral part in the development and launch of new legal technologies, including TMX. She currently leads the expansion of Epiq's trial technologies business, highlighting her continued commitment to solve the problems faced by her clients.
