

DOMESTIC ARBITRATION SCHEMES & DEVELOPMENTS: PROPORTIONATE LIABILITY AND ARBITRATION IN AUSTRALIA

Clifford Chance and Arbitration Victoria are co-hosting a panel discussion on the use of domestic arbitration schemes in Australia and overseas, and the intersection of arbitration and proportionate liability regimes in Australia.

The panellists will discuss whether proportionate liability can be applied to arbitral proceedings. This has become a topical issue following the grant of special leave in the matter of *Tesseract International Pty Ltd v Pascale Construction Pty Ltd* [2022] SASCA 107 (to be considered by the High Court of Australia later this year).
