

EXPERT EVIDENCE OPTIMISING SUCCESS

Discussion

Barristers and expert witnesses will share insights into how expert evidence can optimise successful dispute resolution outcomes. Managed strategically and deployed effectively, expert evidence can be decisive in the outcome of arbitral proceedings. However, when managed poorly, expert evidence has the potential to significantly diminish a party's prospects of success.

Topics

- Picking your expert
- Preparing vs coaching
- 'Dirty experts'
- Forum rules
- Effective counsel-expert collaboration strategies
- Tips for examining your expert and cross examination
