Critical Errors and Strategic Missteps to Avoid in International Arbitrations

Jones Day and Quayside Chambers are pleased to invite you to this panel discussion during Australian Arbitration Week.

Moderated by Simon Bellas, a panel comprising Matthew Gearing KC and Leon Firios (of Quayside Chambers) and Katie Mead and Dan Chaney (of Jones Day) will provide a practical and hands-on examination of the foundational errors that are made all too frequently in international arbitrations.

We hope you will be able to join us for this informative discussion.
