THE ACICA WING PERSON INITIATIVE

The ACICA Wing Person initiative aims to connect arbitration practitioners who are less familiar or just want a boost with the arbitration community with those who are more confident with their connections to help make attendance at Australian Arbitration Week (AAW) more constructive.

Below, we set out what we would like ACICA Wing People to offer to those hoping to be 'winged'. We also set out what we

expect of those seeking an ACICA Wing Person to make the most of this opportunity.

If you would like to be an ACICA Wing Person or would like to be winged, please contact us on the details below.

ACICA cannot guarantee that every expression of interest will be accommodated but ACICA will do its best to make as many matches as possible.

ACICA WING PERSON

- This is not a mentoring program. There will be no ongoing requirements to mentor your allocated winged person (unless you want to!).
- Your winged person is to contact you for either an in-person or virtual meeting at least once prior to AAW to introduce themselves. This can be a 10-minute hello or a coffee. Up to you!
- You and your winged person are to agree on which event(s) during AAW you will attend together.
- You are to meet your winged person immediately prior to the relevant event(s) and attend the agreed event(s) together with your winged person and help introduce them to members of the arbitration community.

ACICA WINGED PERSON

- You will be assigned to a designated ACICA Wing Person.
- It will be up to you to contact your ACICA Wing Person for an in-person or virtual meeting prior to AAW and introduce yourself. You may wish to send your ACICA Wing Person your CV for their information (this is not a requirement).
- You are to agree with your Wing Person which AAW event(s) you will attend together.
- You will arrange to meet your ACICA Wing Person immediately prior to the relevant event so you can attend together.
- We would be delighted if you could take a photo with your Wing Person and send it to ACICA for promotional use (LinkedIn, ACICA Review, etc).
